Butt Nut

But then I met this older guy at the coffee shop by the school who made it all okay. At first I couldn't believe he was checking me out, but then when I was leaving, he smiled at me and asked me to sit with him. Man, I was so shy! But he was totally nice and after we'd talked a while, he told me I was hot and had a "great ass."

But he just laughed when I turned all red and the next thing I knew he was talking dirty to me. Like, "You know, I'd love to get my hands on that purty ass," stuff like that. I know, what a horndog! But I didn't care, because what he was saying was making me all gooey inside.

So that's why, what the hell, I ditched fifth and sixth hour and went to his place! I mean, I couldn't help it, it made me horny just

thinking about how much he liked me. And man, did he like me! As soon as we got to his apartment he started touching me all over, squeezing my big boobies and rubbing my fat butt like it was the hottest thing ever.

"Damn, girl, your fine ass is making me all hard."

That freaked me out, 'cuz no way was I gonna do it with him. But when I told him that he just laughed.

"No problem, sweetheart, just let me have a taste of that booty!"

I totally didn't know what he meant, but then he pulled down my panties, turned me over and, oh my gosh, he put his face in my butt crack! I know, is that gross or what? But the weird part is, it didn't feel gross, it felt wicked good, especially when he stuck his tongue up my hole. I had totally never heard of anybody doing anything like that, and it was really nasty, but good, too. And he was doing my pussy, too, sticking his fingers up there and stuff.

Plus, he was totally getting off on it, slurping and slobbering like crazy. It was making my pussy all wet and mushy, too, and — can you believe it? — I came right there with his tongue up my butt!

I felt so embarrassed, but then he said I had the best asshole of any girl he'd ever been with, isn't that awesome?

So, guess what? I don't care if he is kind of weird about asses, I'm gonna ditch tomorrow and let him do me (and my big ass) again!

Country Boy

There's this guy, Chad, at school who— get this — wrote a song for me! It flipped me out, especially because it's a corny country song.

"Baby, be my girl, you rock my world..." Shit like that. I mean, give me Flogging Molly or Coldplay any day! But then, you know, I started thinking it was kind of sweet in a geeky, countrified sort of way. So, what the heck, I started flirting with him and sure enough, he asked me to go to the movies. Whoohoo, my first real date!

At the theater he was all sweet, he bought me popcorn and stuff, so when he put his arm around me, I cuddled up against him. It felt pretty awesome, especially when he started tickling my neck with his fingers. Like, I was getting goosebumps and tingles everywhere. Is that pathetic or what? I mean, I'm such a lame-ass about guys, I was getting all hot and bothered already!

Him, too, though, because when I looked down he had this big bulge in his jeans. I was so freaked. Like, what was I supposed to do? But then I remembered all the things I'd heard about BJs and I just decided I was going to do it!

I reached down and unzipped his pants, and he was totally surprised, especially when his dick just popped right out. I'd never seen one before and it was weird, all veiny and red, but I just grabbed onto it and started licking. Whoa, it was so soft! Totally not what I expected. But I could tell he liked it. So, I licked all the way up and down the shaft and even kind of tickled his balls with my tongue, ew! Then I just started sucking on the very top, you know where it gets all big. Man, he was going crazy by then, like I was really good at BJs or something!

I was feeling like a total slut so I bent down and took almost the whole thing in my mouth. It made me gag a little but I kept it in there and sucked really hard. Pretty soon he was practically humping my mouth and then he was groaning so loud I was scared we were gonna get caught! Plus I knew he was about to cum, which freaked me out. Like, should I swallow, should I stop? But he had his hand on my head so I figured he wanted me to keep going. And I was right, because in another second, he was, like, doing it down my throat!

Talk about weird. It was all like creamy and salty and there was so much that it started dribbling out of my mouth. But hey, I'd just given my first BJ!

So now, well, me and him are kind of like a couple. He even said he'd write me another song. I told him if he writes me a punk song, I might even let him get into my panties!

What's Michelle's favorite part of her body? Is it her pert little titties, her tight slit, or that luscious, round ass? Let's find out!

Michelle

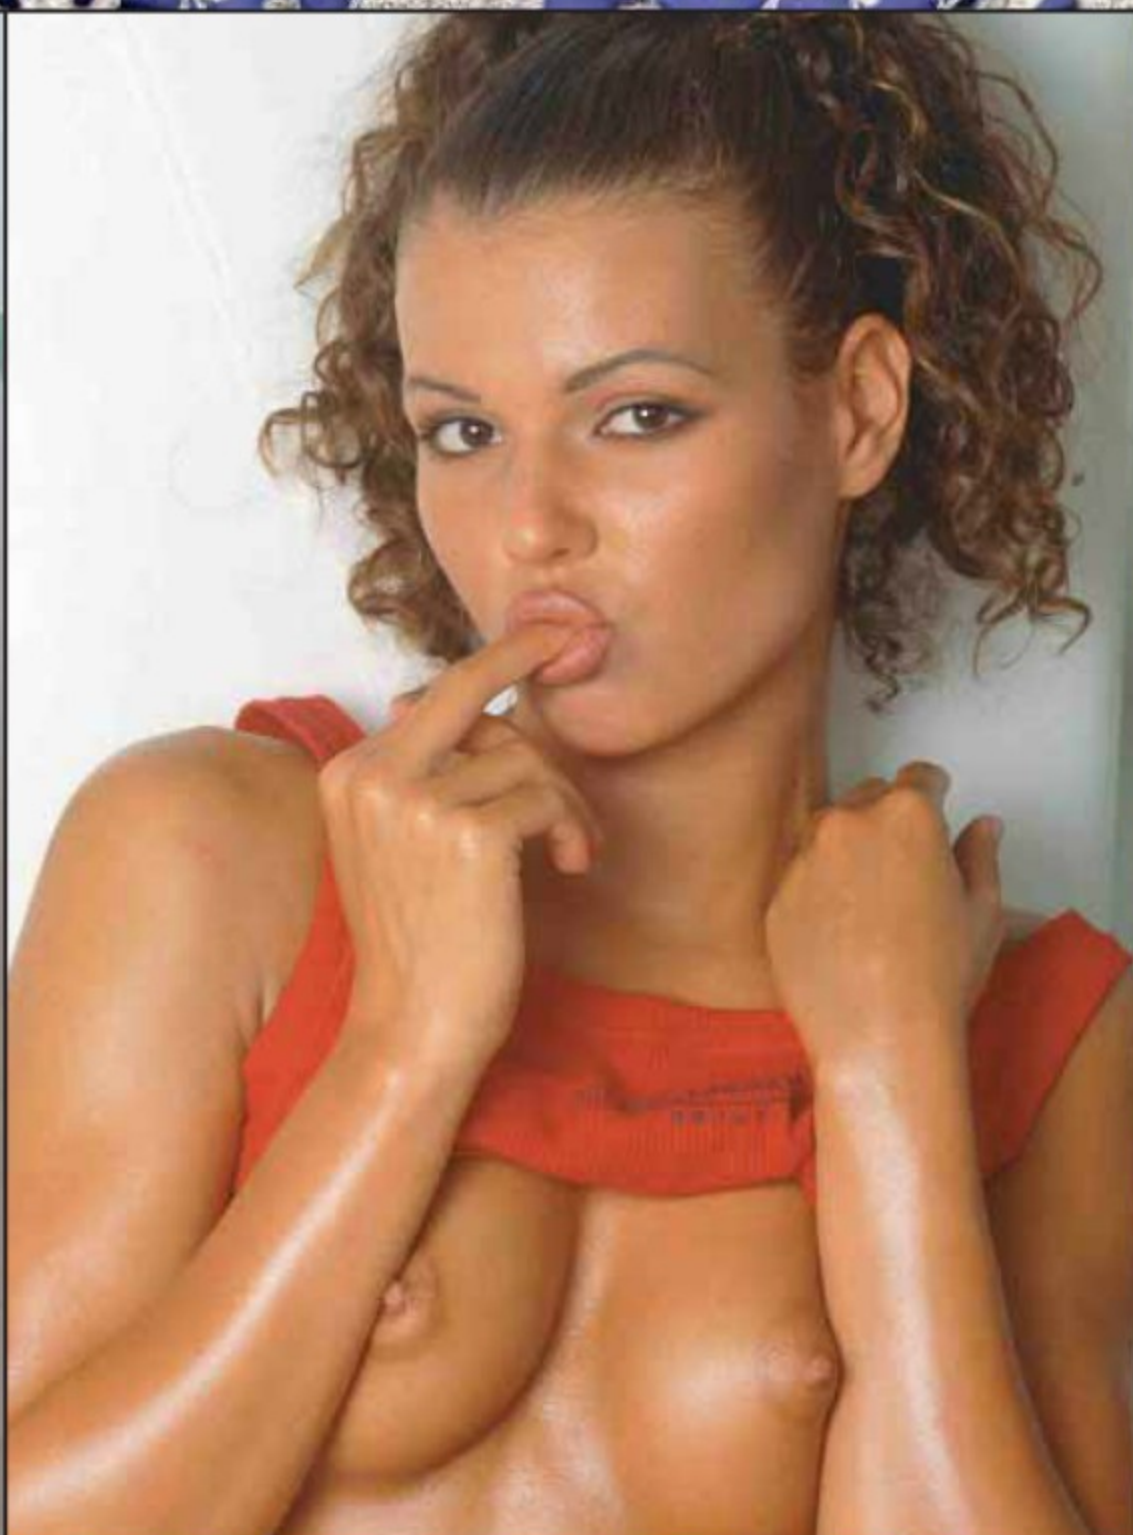

O kay, I know most guys out there are dying to sample my little pink lips, and I don't blame them! Anytime I stick my fingers inside, I get off right away! But, my favorite thing on me is my perfect round butt! I love showing it off any chance I get, and I make damn sure I get a lot of chances to show it! I love to have a guy slide his tongue up and down my crack and gently poke it into my butthole—especially if he's fingering my pussy! Oooh, it makes cream when I think about it!

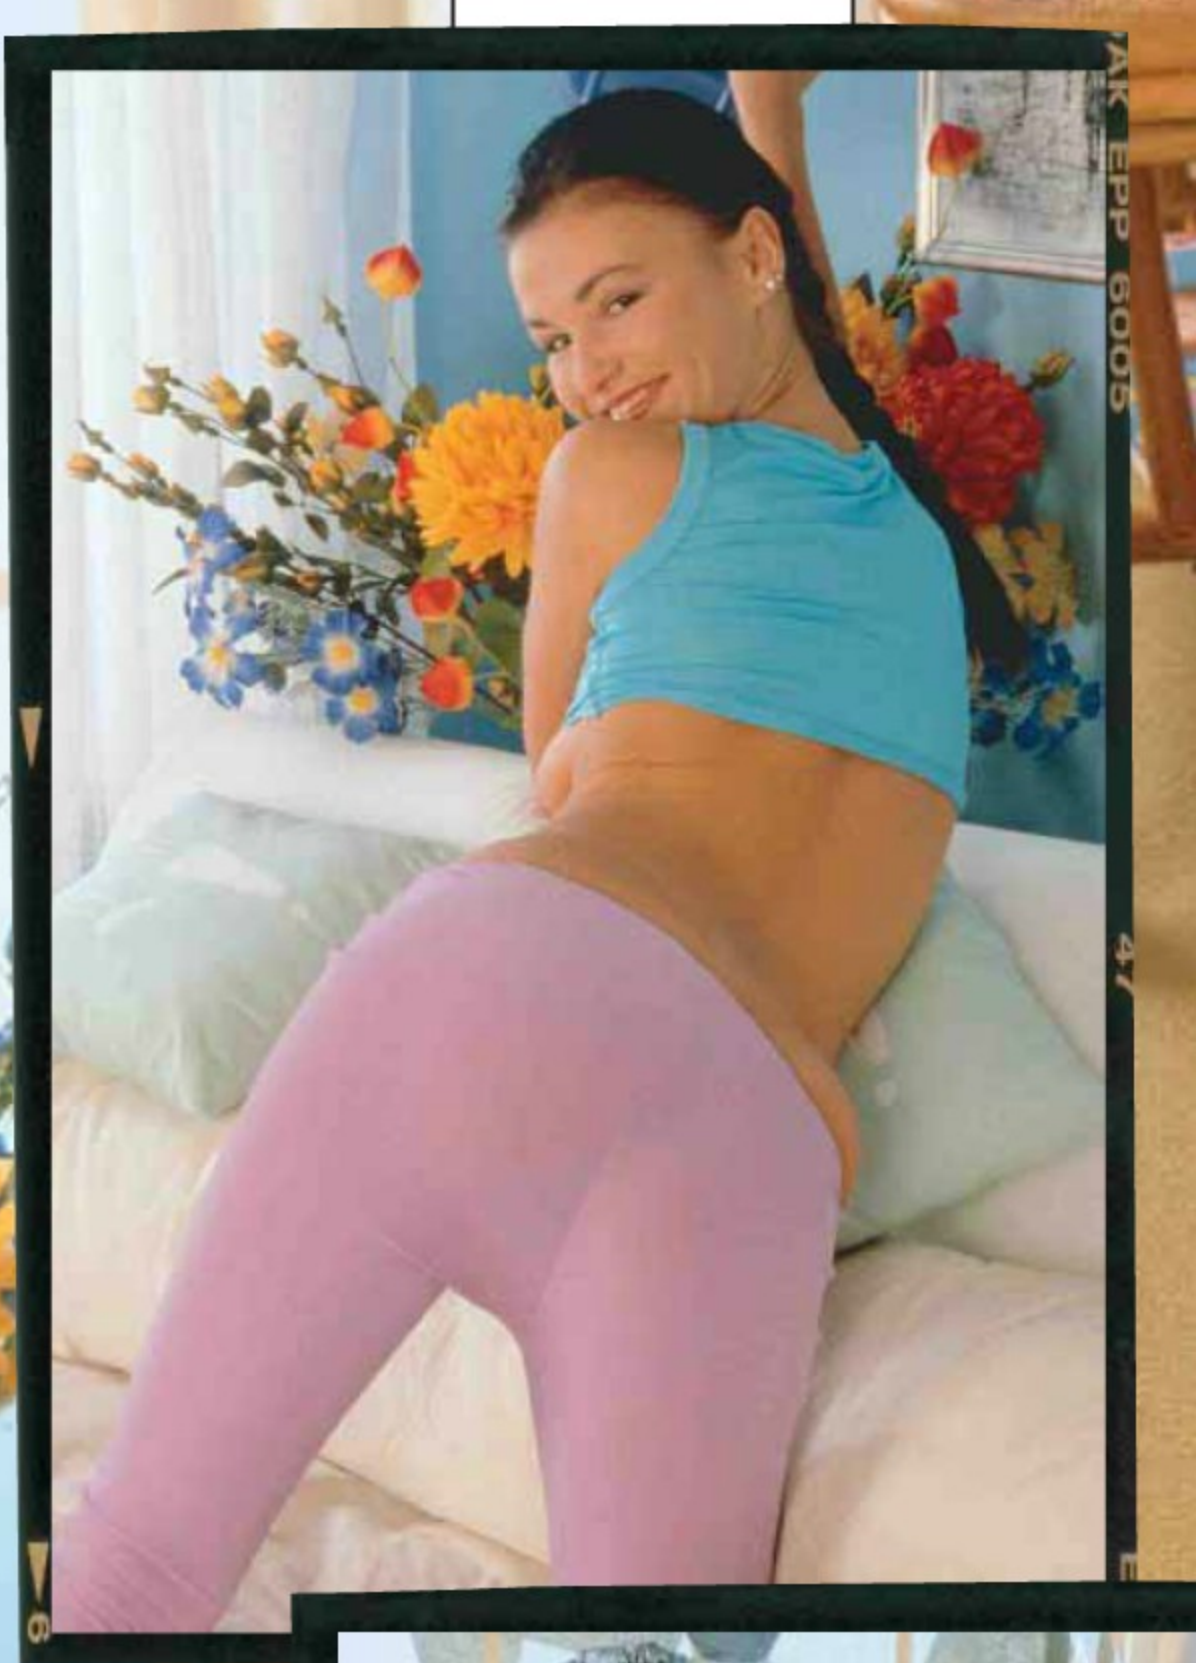

Well, guys,
what do you
think? Does she
have an ass
to die for
or what?

Jenna

Every girl wants her first time to be special and Jenna's no different! The thing is, if she doesn't stop playing with that sweet pussy of hers, there won't be a cherry left to pop!

I can't help fucking myself! See, I want to stay a virgin for as long as possible! I used to want to stay pure until I was married, but once I hit 19, I knew I couldn't wait forever! So I started fingerbanging myself every night, then every day and night, and now I'm up to every few hours! It's hard to stay 100% pure, you know?

21242

We know, Jenna! Believe us, we know! But we both know you can't hold out forever! Call us when you get that pussy popped by a cock!

BITCH MOM

By Geri Love

Senior Scrapbook

Okay, so my boyfriend's mother hates my guts. It's totally not fair, because I've always been all sweet and nice to her, you know, kissing up and stuff. And it's not like I'm some punk or anything; I don't drink or smoke or have tattoos or anything. Matter of fact, my girlfriends are always teasing me 'cuz I'm such a goody-goody. But Derek's mom took one look at me and decided I wasn't good enough for her baby boy or something, which pisses me off 'cuz there's no reason for her to be such a bitch.

The only good thing is, Derek's pretty cool about it, he even stood up for me and told her to stop being so mean! But of course, that just made her hate me more since she figured I'd put him up to it. After that, she started grounding him for stupid stuff and saying I couldn't come over any more!

But Derek said, "No fucking way!" He wasn't about to let his mom keep him from seeing me. So, since she works all day, he just sneaks me into his place after school. Okay, so we can't go out on dates, but at least we're together, you know? And anyway, we totally got back at her for being such a snot!

See, before I started going over there, we'd never fooled around much, mostly because I'm such dweeb about sex stuff. I've only had one boyfriend and when he kissed me it was so gross I told him to back off. After that, I totally didn't want to go out with guys, and I especially didn't want them to do anything icky like stick a tongue down my throat!

But Derek's different. First of all, he's like the cutest guy ever, I mean, he even has dimples, can you believe it? And when he kisses me, it's not icky, it's awesome. All soft and squishy, but nice, especially the way he runs his tongue over my lips, yum!

So when we ended up alone in the apartment, well, things just heated up, you know? Like, we'd make out, and I even let him feel up my titties and stuff. But last week

I let him go even farther, all because of his bitchy mom.

He was showing me her bedroom, which is all prissy and girly and stupid. I mean, you can tell that she never gets laid in that bed, with the corners tucked just right and everything. But then, Derek pushed me into the room onto the shiny pink bedspread and started tickling me, which he totally knows I hate. God, I was screaming like a little girl and giggling so hard I couldn't hardly breathe. And even though I yelled at him to stop, he just kept on going. I swear, I just about

14010

peed my pants, he was tickling me so hard.

Of course, that freaked me out because I knew his mother would have a cow if she knew I did something like that on her precious bed. But still, Derek kept messing with me. Pretty soon he was straddling me, holding my arms down and blowing raspberries on my belly. What a goof! I mean, it was all slobbery and everything. But you know what? Even though it's kind of gross when he does that, it still makes me feel all shivery and stuff. So, by the time he'd been tickling me for about ten minutes, I was kind of excited, like when we make out for a long time. Just from tickling!

And, man, was his mom's bed was a mess, all scrunched up and sloppy! I told him that we should totally go, even though I didn't want to. Really, I wanted him to just keep going and, lucky for me, he did; pretty soon he was getting all kissy and everything.

He still had my arms pinned to the bed and at first he just gave me tiny little kisses, almost like he was teasing me. But it didn't take long before he was Frenching me good, and, oh, man, did his tongue feel awesome! I could totally tell that the tickling had made him kind of excited, too, you know?

And - is this weird? - it was even hotter because we were on his mom's bed! It's like I knew she'd call the cops or kill me if she found out, and that made it even better somehow. So I started kissing him back hard, being all slurpy and slutty and stuff. Derek loved it, and pretty soon he was rubbing up against me. Rubbing his you-know-what up against me, I mean. I know, totally freaky!

He'd never done that before, and I couldn't believe how big it was. Like, monster big. Like, scary-but-so-hot-I-about-freaked-out big. But I didn't freak, because by then my panties were all wet and I was feeling all excited and squirmy, just like I do, when I play with myself. That's how I knew that I wanted to do more than just tickle and make out. As a matter of fact, pretty soon I knew that I wanted Derek to pop my cherry on his mom's bed!

Of course, Derek didn't know that yet, but he was sure getting all excited rubbing his wanker up against me. I knew he was dying to pull it out, but instead, I did it for him! You should have seen his eyes bug out when I grabbed hold and started kind of rubbing it. I know he was totally freaked out that I was being so slutty. But at the same time, he was totally digging what I was doing. So, even though I didn't have a clue, I just kept kind of squeezing and rubbing. Like, jacking him, you know?

"Oh, baby," he groaned, "that is so awesome, do it harder."

I did, and faster, too. Whooee, was he liking that! I mean, he was getting all twitchy and everything. And you know what? I was, too, only from the inside. Like, totally horny. Like I was ready to feel what it was like to actually do sex. Only, ha ha, Derek still didn't know I was going to let him.

So, to show him, I wiggled out of my panties while I still held hold of his dick. Man, you shoulda seen him when he got a look at my pussy, he was practically drooling and his eyes were all bugged out again.

"Oh, baby," he said, "you gonna let me lick that?"

Whoa, lick it? Gross! I mean, a pussy's all slimy and wet and icky! But Derek didn't even wait for me to say, "No way!" Instead he just stuck his face down there and started sucking on me. Can you believe it? Here I'd barely let him get to second base before, and now he was licking me on his mom's bed. Too awesome.

And, holy shit, he was good. It was like he was doing these butterfly kisses right on my clit. Really fast and soft at first, but then his tongue pushed harder until I couldn't hardly stand it. I wasn't even thinking about how gross it was any more, because his mouth was making me warm all the way from my clit to the tips of my toes. Then he slid down to my sopping wet hole, which grossed me

out at first, except that having his tongue shoved up there also made me remember that really soon his dick would be there! Of course, that made me about a thousand times hornier, and pretty soon I was squirming around on his mother's bed like the total slut she thinks I am. It made me giggle to think what she'd do if she saw us. Her precious little boy with his face plastered against my snatch! Ha, she'd hate me even worse.

But too bad, His tongue was flicking back and forth faster by then, and my little clitty was about to bust. I guess Derek knew that, because all of a sudden he stuck two fingers up my virgin pussy. I mean, he was practically fucking me with them and, oh my God, it felt so good. I couldn't help but get into it, and in another couple of seconds my clit exploded. Then I was shoving my pussy up against his face and everything, like I couldn't get enough, I mean, it felt so good that I wanted it to go on and on. The awesome thing was that Derek kept licking, really hard at first, then really soft, until I was totally done. And then he looked up at me from between my legs, his face all smeary from my girl juice, and grinned at me.

"Damn, that was fun!" He said.

I couldn't believe he thought it was fun to do *that* to me, and here he didn't even know how much more fun it was going to get! But he got the idea when I pulled him up on top of me and grabbed hold of his wanker again. I started rubbing it on my totally soaked pussy like I was some little whore or something and grinned at him.

"Wanna have some more fun?" I asked him.

"No way!" he said, like he totally didn't believe me. But then I took the head of his dick and I pushed it up near my juicy hole. That's when he started grinning and I knew he'd figured out that he was about to get lucky.

Of course, when he started to stick it in, I got a little scared. I mean, while he was licking my pussy I'd forgotten that his dick was so huge. But I spread my legs wide for him and he started working it in real slow and you know what? It wasn't all that hard, maybe 'cuz I was all wet? Sure, my pussy was getting hot like crazy, but hey, it was going to work! And each little bit filled me up more and more until I swore no more would fit. But then he'd grunt and push again and more would go in. My virgin hole was getting so big and wide I couldn't believe it. And I couldn't believe how good it felt either. Especially when Derek had that whole thing wedged up there all the way and he was kind of pressing on my clitty at the same time, too. Damn, it was like I was cumming again or something.

But then it got even better because he started humping me for real, kind of slow at first, then faster, until his mom's headboard was banging against the wall like crazy. I figured the neighbors were going to know for sure what was going on (not that they ever heard it when his ice-queen mom was around!) But who cared? I was getting laid! And I could tell Derek loved it. To make it good for him, I wrapped my legs around his back and kind of pushed up against his dick. Man, that made it go in even deeper; it was like his thing was going to come out my belly button or something!

That's when he really went crazy, you know, grunting really loud and pumping like mad. I mean, he was going in so deep his balls were slapping against me. And, whoa, all the sudden I could feel his stuff going up inside my pussy! Talk about awesome. I was so not a virgin anymore. And I had so gotten back at his bitch mom.

I didn't even care that I had gotten girly goo all over her bed. I mean, what was she going to do? Go sniffing around my crotch to prove it was me? And it doesn't matter anyway. I mean, just the fact that Derek did it with me on his mom's bed proves that he likes me better than her anyway, so there! 18

Ever since my boyfriend took my virginity and left for college, I've been so hot and horny, it's ridiculous! Most girls would never admit this, but I am certifiably dick-hungry! Last week, I stopped by my neighbor, Mark, and asked if I could take a quick swim in his pool 'cause it was so hot out. Needless to say, 20 minutes later I was sucking his cock and taking it deep in my pussy! After my swim, I went home and did myself with my dildo! I am totally fucking insatiable, and I'm only 18!

DIRECTED BY: De Monfort

AVAILABLE FROM: 1st Strike

RUNNING TIME: 140 Minutes

Our cute blonde hostess Jolean leads us through a series of newbie bangs with a digital cam in one hand, while diddling her swollen clit with the other.

Katie Ray is recently legal and hungry for cock. She opens the first scene with a sexy strip dance that unveils her bite-sized boobs and shaved teen twat. Jolean joins Katie for a dildo masturbation session, but soon enough a man shows up and Jolean becomes a spectator as the young Katie shoves the male talent's rigid pipe down her throat. This teen screen whore takes a major league pussy pounding, working all of the major positions before tilting her head back for the pearly facial that brings the curtain down on this impressive opening act.

Dirty Little Vixens won't blow you away with amazingly hot sex or innovative hardcore action. Instead this flick hangs its hat on stirring the juices of porn fans who can't get enough of hot teens trading in their innocence for a taste of throbbing

manhood and flowing gooey jizz.

Round two features the smut debut of Alicia Angel, a smoking hot brunette with a modest rack and a J-Lo butt. After Angel peels in a pre-bang tease segment, her boy toy arrives with a lump in his pants and a desire to make this 19-year-old screen virgin's maiden voyage a memorable one. Alicia seems to have no gag reflex as she experiences no difficulty accepting the full compliment of her lover's mule between her blood red lips. Jolean even returns to fun by offering Angel's tongue a taste of her pussy while the newcomer gets plowed doggy style. Alicia raises the bar even further by spreading for a bit of anal love before taking a hefty load on her pierced tongue.

With a monster-sized rubber dick rubbing between her sugar walls, Sierra Sinn confesses her undying love of sex to Jolean. Though only at the age of 18, Sinn is no stranger to the horizontal bop as she takes her boyfriend's dick into her mouth like a seasoned cocksucker. The male talent looks pretty foolish with a shopping bag over his head, but fortunately the focus of this scene is on the fuck/suck skills of Sierra Sinn.

The disc boasts five teen vignettes in all, and Jolean finished the flick with a solo finger screw that allows this DVD thrill ride to end on a high note.

CUM IN MY GAPING BUTTHOLE

STARRING: Misty May, Sierra Sinn, Annie Cruz, Luscious Lopez, Keeani Lei

DIRECTED BY: Harry Palm

AVAILABLE FROM: Lethal Hardcore

RUNNING TIME: 145 Minutes

This is an all-anal extravaganza if the title was too vague for you. Lethal Hardcore has put together a great selection of cute and horny anal sex fiends. So, without further ado, we present to you, "Cum in my Gaping Butthole."

Misty May is an exceptionally cute chick with a perfectly proportioned body. She sucks dick like a champ and can't wait to have a dick up her bum. She shows off her pert little asshole and then crawls into frame to suck some dick. Misty settles on to his cock for some

cowgirl screwing while her guy manhandles her ass cheeks. From there it's all about the backdoor! Misty's rump is filled with dick from all angles, really giving her ass a workout. Misty May holds open her gaping butt hole while he jerks off into it.

Long faced Luscious Lopez opens her wide mouth to take as much dick down her throat as possible. This lanky broad with the whorish good looks uses every inch of her body to get her man off and she delivers one of the hottest scenes of the movie. Luscious has seriously long legs that look great spread far apart. The dark haired Latina has her butt hole gaping open as the guy dribbles his cum into her used-up a-hole.

Keeani Lei is a powder keg waiting to explode! The pint sized sexpot rubs her clitty while getting fucked in the asshole. Her guy keeps his cock inside as her fills her rectum with cum. Lethal Hardcore has lived up to their reputation and hopefully will continue to deliver the hardcore goods! —Kelly

AMATEUR BEAVER HUNT

STARRING: Azalea Lee, D' Monica, Dakota Cameron, Loretta Scars, Michelle Maylene, Nicole Brazzle

DIRECTED BY: Will Rider

AVAILABLE FROM: Hustler Video

RUNNING TIME: 102 Minutes

At last an honest boxcover! These girls are "so young, so cute, so naked, so brand new and 100% fuckable" and each one was selected from actual naked photos! Nicole Brazzle is our guide and the Tennessee native is an excellent choice to help these newbies spread for the camera.

Michelle Maylene may be an amateur, but it is in name only. This chick is a fucking professional. Or should I say a professional fucker. The heat emanating from her is very real and will definitely spike your thermostat at home. She is a brand new 18 year old and this is her first ever scene shot on video. After a brief interview, Michelle loses her sexy outfit ad begins strumming her clit and playing with her pussy. Brett Rockman slips a finger into her pussy to get in on the digital action. Her pussy gets eaten for bit and it's speedily on to some cowgirl banging. Michelle is a natural on camera and I think you'll agree she has a future in this biz. Watching her is like watching a star being born. Check out the ease at

which she transitions from missionary to reverse cowgirl as if it were part of her sexual repertoire. When Rockman finally blasts a thick nut on the side of her face, Michelle very naturally uses his cock to clean up the mess and licks his rod clean of cum.

Azalea Lee is the chick on the box-cover, and she is just as hot in the flick as she is on the box. Azalea is a slender tan chick with a killer body and a love of cocksucking. She starts off sucking on a blue dildo then fucking herself with it. A skinny guy arrives and Azalea shows off her oral talents. From there it's on some hard banging as Azalea gets screwed on her back, in a reverse cowgirl, pile driver, and on her back. Azalea gets a tasty pussy-to-mouth transfer. The guy decides he's done her enough so he strokes off on her face and open mouth.

D'Monica reminds me of another porn chick out there today. She not only looks like a porn star, this cock lover acts like one too! D'Monica goes crazy with a dildo and takes a cock as far down her throat as possible all in anticipation of getting her pussy slammed on film. Nicole joins in on the fun for a bit and then leaves. Showing off her porn cred, D'Monica is fucked in a piledriver position. Finally, the guy cums on her face in grand fashion coating her entire lower half of her face. Make a point to pick this one up. —Coleen

When are you gonna try it?

Hey, I'm already a little butt slut!

My first day here was a blur! I'd never seen that many naked girls in my life, and I was on the girl's track team taking showers and stuff—I thought I'd seen it all! Anyway, after my first few days, I got the hang of everything—writing, filming, taking pictures—you name it, I did it! That's why when it was time for me to get my layout taken, I was more than ready! I want every reader out there to jack one off onto my hot slit and tight asshole! And when you're recharged, I want you to cum all over my face!

Some girls never quite get it and some catch on real quick! When it came to working here at Just 18, Bailey was a very quick learner!

Kinga

Kinga is a beautiful blonde who's not from around here, but that has stopped her from making a lot of friends!

When I first came to the States, I was nervous about meeting people! But pretty soon, lots of guys were coming up to me and asking me out on dates! I didn't even have to try! Now, every few nights, I have a new man slipping his meat into my teen pussy and ass! I didn't think American men loved anal sex as much as we do in my country, but I was surprised! Every guy I've been with has very happily taken my asshole! What a country!

Yeah,
it is pretty cool
over here, isn't it,
Kinga? As great

those guys are
